Education

Dronacharya Group of Institutions (Affiliated to AKTU, Lucknow)

B.Tech in Computer Science and Engineering

2027

7 CGPA

Class XII Manav Rachna International School, Haryana (CBSE)

67.16%

2023

Class X Manav Rachna International School, Haryana (CBSE)

82.33%

2021

Skills

Languages: C++, Python, Java

Core Concepts: Object-Oriented Programming (OOP), DBMS, Operating Systems, Computer Networks (Basics)

Frameworks / Technologies: Node.js (Backend Basics), Flask

Databases: MySQL, Firebase, Elasticsearch

Machine Learning: TensorFlow, Computer Vision, NLP

Development: Backend Development, Rapid Prototyping

Tools & DevOps: Git, GitHub, Docker (Basics), Vercel

Operating Systems: Windows, Linux

Hackathons

- Finalist – NASA International Space Apps Challenge
- Finalist – Makeathon 8 '26 (Thapar Institute)
- Finalist – CodeSlayer '25 (NIT Delhi)
- Finalist – Synergix Hackathon '25 (VIPS)
- Top 200 Teams – Paranox 2.0 Hackathon

Projects

HelloWorld – Gamified Learning Platform

2025

- Developed and deployed a gamified coding education platform with interactive lessons, quizzes, and leaderboards.
- Collaborated in a team to build and manage version-controlled development using GitHub and deployment on Vercel.
- Implemented user engagement features such as progress tracking, assessments, and real-time feedback systems.

Parda Faash

2025

- Built an NLP-based fake news detection system using Sentence Transformers (all-MiniLM-L6-v2) for semantic classification.
- Processed and analyzed textual data to classify news as real or fake using preprocessing and model tuning techniques.
- Designed the system for real-time prediction through scalable and modular architecture

Extracurricular

Research Paper

June 2024

Digital Transformation for a Resilient Pharmaceutical Supply Chain: A Multi Criteria Approach to Prioritizing Barriers.

Presented at 2nd International Conference on Optimisation Techniques and Engineering Technology

Navigating the Intersection of Technology, Sustainability, and Ethics in Engineering Education.

Presented at ICMDISR

June 2024

Certifications

- Job Simulations (Forage): JPMorgan Chase & Co., Deloitte, Goldman Sachs, TATA, GE Aerospace
- Machine Learning with Python – IBM (Coursera)
- Artificial Intelligence & Machine Learning – Kodacy
- Test Automation – BrowserStack
